

DMInteract High-Speed Electric Hand Dryer 1800W

SKU: **DMInteract-HD1003** | Fully Automatic Infrared Hand Dryer | Wall-Mounted

PRODUCT OVERVIEW

The DMInteract High-Speed Electric Hand Dryer delivers fast, hygienic, touch-free hand drying for high-traffic commercial washrooms. Its powerful 1800W motor and high-velocity airflow dry hands in approximately 8–10 seconds, while a fully automatic infrared sensor activates the unit instantly and without contact. A cold / hot air switch lets facilities tune comfort and energy use across seasons. Housed in a durable, waterproof ABS shell with a modern LED accent design, the unit is built for offices, hotels, restaurants, malls, hospitals, and other demanding public environments.
